Mr. Mauricio Solano
Government of Colombia

Dear Mr. Mauricio Solano,

We welcome the Government of Colombia's participation in the Open Government Partnership, which now has 65 countries working to implement national commitments to promote greater transparency, accountability, and engagement of citizens in policy making.

As you are aware, the OGP Articles of Governance state that all participating countries are expected to: *Make concrete commitments, as part of a country action plan, that are ambitious and go beyond a country's current practice.* All OGP participating governments are expected to develop national action plans that specify concrete commitments over a two-year period. Countries more than four months late in submitting their National Action Plan (NAP) will be considered acting contrary to OGP process for that action plan cycle. The Government of Colombia has not submitted its second NAP as of November 1, 2014, four months after the deadline of July 1, 2014. This letter is therefore to inform you that the Government of Colombia has acted contrary to the OGP process for this cycle of action plan development.

However, we recognize the Government of Colombia informed the Support Unit that its second NAP would be delivered in December 2014 because of national elections, and we will communicate this to the Criteria and Standards Subcommittee to explain the reason for the delay. We also understand that the publication of your next NAP is now imminent and strongly welcome this development.

In order to avoid a future review by the Criteria and Standards Subcommittee, we recommend that the Government of Colombia publishes its second NAP before January 1, 2015, implements the commitments in the NAP, and publishes all future self-assessment reports and NAPs on time. Colombia's third NAP is due no later than June 30, 2016.

We thank you for your continued participation in the Open Government Partnership and look forward to shortly receiving your second NAP. The OGP Support Unit and Steering Committee stand ready to support you in whatever way would be useful. Please do not hesitate to contact the OGP Support Unit if you require any assistance in the finalization of your action plan.

Yours sincerely,
