The OGP model
More open, inclusive and responsive governments

OGP in numbers
A growing partnership

2017-2018 Civil society survey findings
A stronger community

Civil society survey findings
A diversifying community

More open, inclusive and responsive governments

OGP needs more women

Civil society is well-equipped to use OGP, with priorities largely met

Countries improve on process - OGP sets higher standards

Raising the bar on process
Improved co-creation and more multistakeholder forums
