

Irma Eréndira Sandoval Ballesteros
Minister of Public Administration
Government of Mexico

15 January 2019

Dear Minister Sandoval,

We welcome the Government of Mexico's participation in the Open Government Partnership (OGP), which now comprises 79 countries and 20 local governments working to implement open government commitments to promote greater transparency, accountability and citizen engagement in policy making.

Last year, the Government of Mexico requested to be shifted to the odd-year cohort of OGP participants due to the political transition that took place. As a result, Mexico has been shifted from the "even year" to the "odd year" cohort of OGP participants, and considered to have started a new action plan cycle with a deadline of 31 August 2019 to submit its action plan. This letter is to kindly remind you that failure to deliver the action plan by this new deadline would result in Mexico having acted contrary to OGP process for two consecutive cycles, and therefore would be placed under review by the Criteria and Standards Subcommittee.

The OGP Support Unit and Steering Committee stand ready to support you in whatever way would be useful. Please do not hesitate to contact the OGP Support Unit if you require any assistance in the finalization of your Action Plan.

Yours sincerely,

Sanjay Pradhan
Chief Executive Officer
Open Government Partnership
