

Catherine Afeku
Minister of State in the Office of the Senior Minister
Government of Ghana

7 February 2020

Dear Minister Afeku,

We welcome the Government of Ghana's participation in the Open Government Partnership (OGP), which now comprises 78 countries working to implement open government commitments to promote greater transparency, accountability and citizen engagement in policy making.

As you are aware, the OGP Articles of Governance state that all participating governments are expected to co-create an action plan outlining a concrete set of open government reforms, in line with OGP Participation and Co-Creation standards. Governments that are more than four months late in submitting their action plan will be considered to have acted contrary to OGP process for that action plan cycle.

As of 1 January 2020, the Government of Ghana has not submitted its action plan, four months after the deadline of 31 August 2019. As a result, Ghana has been shifted from the "odd year" to the "even year" cohort of OGP participants, and considered to have started a new action plan cycle with a deadline of 31 August 2020 to submit its action plan.

In addition, Ghana has now acted contrary to OGP process for two consecutive action plan cycles. A copy of the letter notifying the previous occurrence is enclosed for your records. In line with OGP procedures, Ghana will be placed under review by the OGP Criteria & Standards Subcommittee (C&S). This review process involves enhanced support by the C&S, the OGP Support Unit and the OGP Steering Committee in order to try to resolve the issues that have caused the delays in submitting the Action Plan.

We encourage the Government of Ghana to provide an update on the status of the action plan co-creation process to inform the deliberations of the C&S.

The OGP Support Unit and Steering Committee stand ready to support you in whatever way would be useful. Please do not hesitate to contact the Support Unit if you require any assistance in the finalization of your action plan.

Yours sincerely,

Sanjay Pradhan
