Call Summary

Following an update from the OGP Support Unit on the Local Strategy, the cohort proceeded to review the agenda for the Steering Committee Agenda in Berlin (25-27 February) and create an annotated version. The annotated agenda is aimed at aligning messaging across the sessions and will ensure key points from across the CS SC are heard during the meeting.

Action Item

1. The cohort is to review and comment on the annotated agenda draft in advance of the SC Meeting in Berlin.
