'Transparency for monitoring and vigilance of trusts' | Mexico's 4th Action Plan (October 23,  
2020)

Dear colleagues,

I hereby acknowledge receiving the letter in which you formally announce your decision to leave the working group to implement commitment No. 9, 'Transparency for monitoring and vigilance of trusts', of Mexico's 4th National OGP Action Plan. I have relayed your letter to the Steering Committee Leadership and uploaded it to our [website](#).

I understand the challenging situation you face and the reasoning behind your decision. I also welcome your continued engagement in other important commitments in the action plan such as the ones that address Democratic Controls on the Intervention of Private Communications and the Beneficial Ownership Transparency. The final assessment made by the Independent Reporting Mechanism will cover this situation.

Please continue to inform us about any further developments. We stand ready to provide all the support we can.

Best regards,

Sanjay Pradhan  
Chief Executive Officer  
Open Government Partnership
