Resolution of the OGP Steering Committee
Regarding the 2020-2021 Co-Chair Term
1 October 2020

The OGP Steering Committee recognizes the impact of the COVID-19 pandemic on the partnership’s future plans, including the timing of the 2021 7th OGP Global Summit marking OGP’s 10th Anniversary, to be hosted by the Government of the Republic of Korea and Maria Baron (Directorio Legislativo). The summit is being scheduled for the final quarter of 2021 to increase the likelihood of the pandemic subsiding enough to allow an international meeting of this nature to take place. The OGP Steering Committee therefore resolves that the Co-Chair term will be extended until such a time the summit takes place, but no later than December 31, 2021.

This resolution does not formalize any change to the overall co-chair rotation process, nor does it affect other Steering Committee members’ terms. It is a one-off exception due to extraordinary circumstances only applying to the 2020-2021 Co-Chair term. The incoming Co-Chairs will begin and end their two-year mandate as stated in the Articles of Governance (on October 1 of the year in which they are elected) unless otherwise agreed by future resolution of the Steering Committee.
