

Open Government Partnership Independent Reporting Mechanism Liberia: Comments Received 2017-2019 Implementation Report

Comments from Ralph G. Jimmeh Jr, OGP Liberia Secretariat:

Please make the following corrections. The Name is Anderson Miamen and not Andrew Miamen. Additionally the name is G. Ralph Jimmeh, Jr and not Ralph Jimmeh only. However on the overall I think the report is a reflection of the performance of the Liberia's NAP.
Thanks

Please, additionally, note that Andrew Nimely does not work for the Ministry for Justice instead he works as the Special Assistance in the office of the Chief Justice of Liberia at the Supreme Court of Liberia. Such correction will be great.
