Call Summary

I. Strategy for the upcoming SC meeting

Reference material: [Pre-Meeting Packet](#); Candidate letters of [Anabel Cruz](#), [Estonia](#), and [Nigeria](#)

The Support Unit (SU) provided an overview of the agenda for the next Steering Committee (SC) meeting taking place on October 14, followed by a space for the CS SC to strategize ahead of the meeting. The Cohort was supportive of the agenda and had no major concerns.

CS SC members were supportive of a targeted Steering Committee recruitment process over the next years to build a strong pipeline of SC members, including for Co-Chair roles from government and civil society. The Cohort also suggested having the opportunity to discuss how to support Aidan in developing the Co-Chair agenda for his term.
