**Government of Sierra Leone**

Dear Minister Swaray,

We welcome the Government of Sierra Leone's participation in the Open Government Partnership (OGP), which now comprises 78 countries and 76 local governments working to implement open government commitments to promote greater transparency, accountability and citizen engagement in policy-making.

We are very pleased to confirm receipt of Sierra Leone's OGP 2021-2023 Action Plan ending on December 31, 2023.

While Sierra Leone acted contrary to process due to late delivery, it will remain in the 2021-2023 December cycle in line with OGP policies and procedures. We look forward to the successful implementation of this action plan and the timely delivery of Sierra Leone's next plan by December 31, 2023 in order to avoid acting contrary to OGP process for two consecutive cycles, which would lead to being placed under Procedural Review.

The OGP Support Unit and Steering Committee stand ready to support you in whatever way would be useful. Please do not hesitate to contact the Support Unit if you have any questions regarding this letter.

Yours sincerely,

Sanjay Pradhan  
Chief Executive Officer
