**Sanjay Pradhan**

Chief Executive Officer, OGP

Dear Mr. Pradhan,

Thank you for the detailed letter and for the update concerning the forthcoming events. I wish to emphasize that the State of Israel is fully committed to OGP's principles and aims for implementing open government commitments to promote greater engagement in data policy-making. transparency, accountability and citizen

The National Digital Directorate within the Ministry of Economy, leads the process of forming the new action plan for the years 2022 – 2024, with my full support. I expect to present a wide and effective plan, that we will lead with our partners in the government and the Civil Society as well.

Thank you for notifying us regarding the coming events. Me and my team will be more than happy to take an active role in them.

Yours sincerely,

**Orna Barbivay**

Minister of Economy  
Government of Israel
