Colleen Zamba
Secretary to the President and Cabinet
Government of Malawi

Dear Secretary Zamba,

We are delighted to count on the Government of Malawi's participation in the Open Government Partnership (OGP), which now comprises 76 countries and 106 local governments working to implement open government commitments to promote greater transparency, accountability and citizen engagement in policy-making.

It is with great pleasure to confirm that the OGP Support Unit has received Malawi's OGP Action Plan for 2023 - 2025. In line with the terms of the Steering Committee resolution dated 24 March 2022, Malawi is no longer considered 'Inactive' in OGP.

I wish you and all stakeholders in government and civil society a successful implementation of this OGP action plan. The OGP Support Unit and Steering Committee stand ready to support you in whatever way would be useful. Please do not hesitate to contact the Support Unit if you have any questions regarding this notification.

Yours sincerely,

Sanjay Pradhan
Chief Executive Officer

Resolution of the OGP Steering Committee Regarding the Participation Status of Malawi in OGP

24 March 2022

The Steering Committee welcomes Malawi's participation in the Open Government Partnership (OGP) since joining OGP in 2013.

In February 2020, Malawi was placed under Procedural Review due to failing to deliver an action plan for two consecutive action plan cycles. In addition, Malawi has failed to deliver a new action plan by the 31 December 2021 deadline, and as a result has again acted contrary to process.

Considering that the Government of Malawi has now acted contrary to the OGP process for three consecutive action plan cycles as outlined above,

The inactive status may last up to one year from the date of this resolution, or until:

- Malawi publishes an action plan, developed in line with OGP Participation and Co-Creation Standards, or
- Malawi works with the Steering Committee to set a clear timeline to start a new action plan cycle and re-engage with civil society to develop a new action plan.

The inactivity status will be lifted immediately upon the submission of an OGP action plan. However, if Malawi remains inactive for a year without communicating its intention to continue to participate in the OGP, it would automatically be withdrawn from the list of OGP members as of March 25, 2023.

The OGP Steering Committee remains fully committed to offering all necessary support in order to help Malawi remain engaged in the Partnership.

Inactive countries are ineligible to participate in Steering Committee elections, and may only attend OGP events as observers for learning purposes. A country's inactive status will be noted on the OGP website and public information materials, where appropriate (e.g., in a list of participating OGP countries). Any country, whether in active or inactive status, may at any time decide itself to withdraw from the OGP.
