*Dear Rudi;*

**REQUEST FOR EXTENSION OF DEADLINE FOR IMPLEMENTATION OF  
PLATEAU OGP STATE ACTION PLAN**

We wish to crave your indulgence to kindly consider and approve an extension of the deadline for the implementation of Plateau OGP's first State Action Plan (SAP) from the current date of 31<sup>st</sup> March, 2023 to a new date of **30<sup>th</sup> April, 2023**.

Both the government and civil societies stakeholders consider this request necessary because the Nigerian national election season that commenced with a build-up over two months ago has adversely affected our efforts at delivering the SAP, as governance at the subnational level was virtually grounded during the season.

Please accept the assurances of our highest esteem as we look forward to your early revert.
