

Support letter

In October 2020 the mayors of Vanadzor and Gyumri cities applied for Local-OGP membership.

Since our membership in OGP with the support of the OGP-Armenia Secretariat and the UNDP-Armenia office were organized a series of skills development and capacity-building courses for the partners of Vanadzor and Gyumri communities' administrations and Civil Society Organizations.

Vanadzor and Gyumri have taken commitments to implement.

With this letter of support, the newly elected Mayors of two communities Arkadi Peleshyan (Vanadzor) and Vardges Samsonyan (Gyumri) express their readiness to continue membership in OGP Local.
