Comments Received from Alexandros Melidis (11 November 2023)

Comment on Table 2. Compliance with minimum requirements (4.1 Reasoned response), Annex 2.

In the context of the focus group, GFOSS has repeatedly asked the PoC to timely publish reasoned response to address all the proposals for commitments submitted by civil society in opengovmonitor.gr .

In that meeting the DG promised to publish the reasoned response. However, this document is not yet public.
