The Honorable Ano Pala
Minister of National Planning and Monitoring
Government of Papua New Guinea

Dear Minister Ano Pala,

I'm writing to express our appreciation for the Government of Papua New Guinea's participation in the Open Government Partnership (OGP), a global initiative encompassing 77 countries and 150 local governments dedicated to advancing transparency, accountability, and citizen engagement in policy making.

As you are aware, all OGP participating governments are expected to follow the [OGP Participation and Co-Creation Standards](#) when co-creating an action plan of open government reforms. These standards have been updated by the OGP Steering Committee and came into effect in January 2022. The Independent Reporting Mechanism (IRM) assesses all countries that submitted action plans from that date onward under the updated standards.

During the 2022-2024 action plan cycle, Papua New Guinea did not meet the minimum participation and co-creation standards, as assessed by the IRM in its [Action Plan Review](#). However, as the new standards were recently introduced, OGP instituted a 24-month grace period to ensure a fair and transparent transition to the updated standards. Therefore, although Papua New Guinea did not meet the minimum requirements for its 2022-2024 action plan, in this instance it did not act contrary to process and will not be subjected to procedural review.

No further action is required at this time, but in order to avoid the possibility of future review by the Criteria and Standards Subcommittee of the OGP Steering Committee, we recommend that the Government of Papua New Guinea makes every effort to meet the minimum requirements set forth in the standards during the development and implementation of its next action plan. Guidance on how to meet the new minimum participation and co-creation requirements can be found in the [OGP National Handbook](#); guidelines for their assessment by the IRM can be found [here](#).

The OGP Support Unit and Steering Committee stand ready to support you during the implementation of your current action plan and the development of your next one to make sure all requirements are met.

Yours sincerely,

Aidan Eyakuze
Chief Executive Officer
