Dear Sir,

**SUBMISSION OF MALAWI'S REVISED OPEN GOVERNMENT PARTNERSHIP
NATIONAL ACTION PLAN (2026–2029)**

We have the honour to submit Malawi's revised Open Government Partnership (OGP) National Action Plan (NAP) for the period 2026–2029.

The revision follows a resolution of the OGP Malawi National Steering Committee (NSC) at its meeting on 12th March 2026, which approved an adjustment of the implementation timeline from 2025–2028 to 2026–2029. This revision ensures alignment with the timing of the NAP development process and facilitates a structured and effective implementation cycle. We wish to note that the substantive content of the NAP, including all commitments, remains unchanged.

The revised NAP reflects Malawi's continued commitment to advancing transparency, accountability, and citizen engagement through a multi-stakeholder approach, in line with OGP principles and Malawi's national development priorities.

Please find the revised NAP attached for your consideration and approval.

We look forward to continued collaboration with the OGP Global Support Unit as we proceed with implementation.
