LETTER OF COMMITMENT

I write to indicate my continuous support to the Open Government Partnership working process in the Shama District Assembly.

Upon my tenure as the Chief Executive of the district, available documents indicate an Open Government Partnership work plan from 2021-2023. Briefing from the administration indicates that approval has been given for the extension of this work plan to 2027.

I pledge my support to the successful implementation of this work plan and will ensure that the needed resources are allocated for the smooth implementation of the commitment in the action plan.

Thank you very much in this regard.
