Dear Ms. Barbara Schreiner,

In line with the Israeli government's formal [withdrawal from OGP](#) on February 1, 2026, and given that the Response Policy applies only to participating OGP countries, we are writing to inform you that the Response Policy case that you initiated on September 26, 2025 is now officially closed.

We have updated the Response Policy case [webpage](#) and all public materials to reflect this.

We deeply appreciate your engagement with OGP on the Response Policy process, as well as your service on the OGP Steering Committee.

Notwithstanding Israel's current administration's decision to leave the Partnership, OGP will remain a steadfast partner to Israeli civil society promoting open government reform, even in the face of challenging circumstances.

Yours sincerely,

Aidan Eyakuze
Chief Executive Officer
Open Government Partnership
