Dear U.S. Civil Society Partners,

In line with the U.S. government's formal [withdrawal from OGP](#) on January 15, 2026, and given that the Response Policy applies only to participating OGP countries, we are writing to inform you that the Response Policy case that you initiated on July 1, 2025 is now officially closed.

We have updated the Response Policy case [webpage](#) and all public materials to reflect this.

We deeply appreciate your engagement with OGP on the Response Policy process. We are even more grateful for the years of your tenacious, dedicated effort to advance open government in the United States.

We look forward to continuing to collaborate with you, notwithstanding the current administration's decision to leave the Partnership. OGP will remain a steadfast partner to U.S. civil society promoting open government reform, even in the face of current challenging circumstances.

Yours sincerely,

Aidan Eyakuze
Chief Executive Officer
