

City of Corrientes, Argentina
March 13, 2026

Mr. José María Marin
OGP Local Lead
Open Government Partnership (OGP)

Dear Mr. Marin:

As Mayor of the City of Corrientes, I am pleased to submit our Official Letter of Support to reaffirm and deepen our participation in OGP Local.

This application reflects our political decision to consolidate Corrientes as a Smart, Open, and Participatory City. We understand modernization not only as the incorporation of technology into administration, but also as a fundamental tool for enhancing civic creativity and co-creating real solutions together with our neighbors.

Our strategic priority is Public Innovation. We want to move beyond the traditional vision of administrative modernization to advance toward a model of Open Digital Governance, where data and technological platforms serve to empower citizens in decision-making. We are not only seeking efficiency, we are seeking collective intelligence to design the future of our city.

1. Political Contact Point: Florencia Ojeda - Secretary General of the Municipality of the City of Corrientes.

2. Technical Coordination Team:

- **Sofía Vallejos** - Undersecretary of Modernization, Innovation, and Technology (Institutional Liaison).
- **José David Luque** - Director General of Public Innovation and Open Government (Designated as Operational Point of Contact/POC to OGP).

Operational Contact Details:

- Email: dginnovacionygobiernoabierto@gmail.com
- Phone: +54 9 3795063979

We appreciate OGP's ongoing support and welcome the opportunity to continue being part of this global community, sharing lessons learned and developing initiatives that generate positive and lasting impacts for our community.

Sincerely,
Claudio Polich
Mayor of the City of Corrientes

CLAUDIO POLICH
INTENDENTE
Municipalidad de Corrientes
