RE : Cover Letter for Local OGP Banggai Action Plan

Dear Open Government Partnership Secretariat

On Behalf of Government Of Banggai Regency, I am writing this letter to express our commitment to participate in the local Open Government Partnership. The Local Government of Banggai Regency with International NGO Forum on Indonesia (INFID) and Media Link have prepared four Local OGP action plans. The action plan are :

1. Participatory and Inclusive Use of Yard Through Integrated Agricultural Systems.
2. Banggai one Data
3. Community Based Participatory Waste Management
4. Online Applications to Achieve Minimum Service Standards for Pregnant Women

Based on the action plan, we will focus on thematic policies : digital governance, open data, right to information, safety nets and economic inclusion and stimulus and economic recovery.

We are willing to participate in peer learning and share experiences, both in groups and with other local citizens in the respective countries, and thematic circles with other potential group members. We will Collaborate with Ministry of National Development Planning (Bappenas), Ministry of Agriculture, Ministry of Home Affairs, and State Minister for The Environment to promote our good practices of local OGP program as the model of open government to other local government and other local CSOs, through any of OGP publication, Annual OpenGovWeek and other OGP routine agendas.

We would be very proud and happy to have opportunity to get support from Open Government Partnership to develop and advance the open government, collaborate with civil society more broadly and provide the necessary resources to our initiatives.

Sincerely,

AMIRUDIN

Regent Of Banggai
