**YOU!**

The image features two stylized silhouettes of a man and a woman. The man's silhouette is on the left, colored in a solid orange-red. The woman's silhouette is on the right, colored in a dark grey. They are positioned against a light yellow background. The woman's silhouette is slightly behind and to the right of the man's, suggesting a close relationship. The background is decorated with various geometric shapes: small circles, horizontal bars, and clusters of squares, some in light pink and some in light blue. The main title is centered on the right side of the image, overlaid on a light pink rectangular background.

# Strengthening the Advocacy on SDG 5: Gender Equality through Adopting a Community

Project Location: Brgy. Pulabato, Tampakan South Cotabato

CONNECTING YOUTH TO

## OVERVIEW OF THE ADVOCACY

The PYAP Polomolok and ..... initiates a project called SHARE AN OPPORTUNITY TO THE YOUTH that aims to provide opportunities for OSY and other disadvantage youth.

The ....Project supports the government's Program to introduce innovative labor market programs that aims to shorten young Filipino's training-to-work transition and raise youth employment rates, and represents a long term partnership with NGO's and government agencies. The project prioritizes labor market made to work better for youth, training systems made to work better for the youth.

A key initiative by the PYAP Polomolok is the ...  
Program, which aims to provide training and  
employment assistance to the OSY/disadvantaged  
youth to integrate in the labor market. Managed by  
the PYAP Polomolok Chapter, in partnership with the  
NGO's primarily the [Youthworks.ph/USAID](https://www.youthworks.ph/), ..  
Program is a full cycle training-to-work and  
employment facilitation service that helps increase  
the employability of the youth by providing them  
access to technical and life skills training demanded  
by employers and by mentoring and providing them

# SWOT

By conducting a SWOT analysis, PYAP POLONMOLOK can identify areas where they can capitalize on their strengths, address their weaknesses, take advantage of opportunities, and mitigate threats. This information can be used to develop strategies.

Probing South Cotabatenos Query concerning Kabugwason  
Paglaum Scholarship and Grant-In Aid Program

PART

# OVERVIEW

# Proposal Overview

## The Information Dissemination Campaign Project of KPGSIAP

### Raising Awareness

Kabugwason-Paglaum Scholarship & Grant (KPSGIAP) is an educational program of the Provincial Government of South Cotabato for the poor yet deserving students.

KPSGIAP is still committed to support students to pursue their education in tertiary level. The Office of Provincial Governor is in the process on selecting new scholars to benefit from these opportunities.

Thus, this project proposal aims to increase the dissemination when it comes to the status of the former scholars and their stories of hope. In partnership with the Office of Provincial Governor of South Cotabato

# Proposal Overview

## The Information Dissemination Campaign Project of KPGSIAP

### Stands For Integrity

Integrity- as a government we will include information that we will include information campaign are legislation on those provisions of Sanggunian of South Cotabato in connection with Kabugwason Paglaum Scholarship Aid programs. Such as, requiring rules and regulation, and selection

Further, we ensured also that all stakeholders are involved, behind, and responsible. Project advocacy are committed to their roles as part of this information

Since this is a information dissemination project having "Integrity" we ensured that all stakeholders are well-informed.
